

# FRIENDS OF THE NORTHVALE PUBLIC LIBRARY

## Welcome Friends!

The Northvale Friends, and independent 501(c) (3), non-profit, volunteer organization is an invaluable asset to our community. One hundred percent of monetary donations go directly to the Friends cause! The Friends pay no salaries, administrative fees, or head. Friends monies are gifted toward our Northvale Public Library for special programming, enrichment for All ages, technology, and Friends fundraising events. All gifts benefit and support our own town library. Examples of Friends gifts for the Northvale Public Library: enrichment programs for children, museum passes, Books for Babies Early Literacy Program, library furniture, and librarian wish list items.
