GENERAL DISCUSSION –

Director's Report
Administrative:

- 1,964 registered Northvale Library cardholders as of June 1st. 7 new cards were made in the month of May.

Training:

- Kevin Trainor trained 5 staff members on CPR and how to use an AED machine. Kevin trained us for free but I think we should donate to the ambulance squad or American Heart Association. These courses usually cost between $60-80 per person. I am also looking into buying an AED machine for the library.

Capital Projects:

- MC Glass is still waiting for the fire rated glass to replace the glass in the window that has a crack in it.
- We need to sign the IonicNet contract and mail out the check and then we can get started on our ADA Website.
- I sent over the Resolution and Agreement to MOESC. Waiting to hear back from them to see if the State accepted it.

Grant:

- We qualify for the Tischler Memorial Grant. The grant is between $500-$2,500 to add materials to our collection. I will apply once the grant opens on June 22nd.

Northvale School:

- Kindergarten classes took a walking trip to the library a few weeks ago. Emily told them about the library and read a few stories.
